### ASSIGNMENT OF LEASE

WHEREAS, UNITED STATES RAILWAY LEASING COMPANY, a corporation of the State of Illinois (hereinafter referred to as "United"), and

ASHLEY, DREW & NORTHERN RAILWAY COMPANY (said lessee together with any party claiming by, through or under said lessee being hereinafter referred to as "Lessee"), have entered into a lease dated MAY 14, 1976 (said lease as may be amended from time to time being hereinafter called the "Lease"), providing for the lease by United to the Lessee of certain railroad cars therein described (hereinafter referred to as the "Cars"); and

WHEREAS, the Lease was recorded pursuant to the provisions of Section 20c of the Interstate Commerce Act, as amended, and assigned recordation number 8423; and

WHEREAS, THE PAUL REVERE LIFE INSURANCE COMPANY (hereinafter referred to as "Lender"), is the mortgagee under a certain Chattel Mortgage ("Security Agreement") dated as of July 15, 1976, securing the loan of certain monies to United evidenced by United's note and United has agreed to assign all of its right, title and interest in and to the Lease to Lender as additional security for the note all as set forth in the Security Agreement.

Now, THEREFORE, for value received and upon the terms and conditions hereinafter set forth:

1. United does hereby sell, assign, transfer and set over to Lender all of its right, title and interest in and to the rentals and all other amounts payable by the Lessee or any other person, firm or corporation with respect to the Cars or under the Lease, except that any amount so payable shall continue to be payable to United until and unless Lender or its successors or United shall notify the Lessee or any successor to its interest that an event of default has occurred under the terms and provisions of the Security Agreement and that payments are thereafter to be made to Lender or its successors; and in furtherance of this Assignment and transfer, United does hereby authorize and empower Lender in the event of notice of a default as aforesaid, in its own name to sue for, collect, receive and enforce all payments to be made to United by the Lessee under and in compliance on the part of the Lessee with the terms and provisions of the Lease, to exercise all of the

rights of United under any of the provisions of the Lease, and in its discretion to take any action under the Lease or with respect to the Cars as United could have taken thereunder if it had not assigned and transferred its rights therein, provided that nothing herein shall obligate Lender to take any action under the Lease or in respect of the Cars. United will cause notice of this Assignment forthwith to be given to the Lessee (together with a copy of this Assignment).

2. United warrants and covenants (a) that on the date hereof title to the Cars and the Lease (subject to this Assignment and the rights of the Lessee under the Lease) is vested in United, that it has good and lawful right to sell and assign the same as provided in the Security Agreement and herein and that its right and title thereto is free from all liens and encumbrances, subject, however, in each case to the rights of the Lessee under the Lease and to the rights of the assignee hereunder; and (b) that notwithstanding this Assignment, it will perform and comply with each and all of the covenants and conditions in the Lease set forth to be complied with by United.

3. United represents and warrants that the Lease and this Assignment have been duly authorized and executed by it and covenants that it will, from time to time, at the request of Lender, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as Lender may reasonably request to give effect to the provisions hereof and to confirm the right, title and interest hereby assigned and transferred to Lender or intended so to be.

4. So long as United is not in default under the Security Agreement, United shall have the right without the prior consent of Lender to terminate, modify or accept a surrender of and settle, adjust, compound and compromise any claim against the Lessee under the Lease or offer or agree to any termination, modification or surrender of and settle, adjust, compound and compromise, any claim against the Lessee under the Lease, provided that any such agreement shall be made in good faith with consideration to Mortgagee's position by United in an arm's length transaction with the Lessee.

5. Upon full discharge and satisfaction of all indebtedness secured by the Security Agreement, the assignment made hereby shall terminate and all estate, right, title and interest of Lender

in and to the Lease shall cease and revert to United. Lender agrees that upon (i) satisfaction of the indebtedness as aforesaid, (ii) termination of the Lease in the manner herein permitted, (iii) the occurrences of the events specified in Sections 2.2 and 2.3 of the Security Agreement which specifically provide for such release or reassignment, it will execute and deliver to United a release or reassignment of its interest hereunder as United may request.

6. This Assignment shall be construed in accordance with and shall be governed by the laws of the State of Illinois.

IN WITNESS WHEREOF, United has caused this instrument to be executed by its proper officers thereunto duly authorized and its corporate seal to be hereunto affixed, as of the 15th day of July, 1976.
